FOR THE COMMISSIONER

Applicants hereby request that the enclosed Certificate of Correction be issued  
for the above Patent under authority of 35 U.S.C. § 255. The exact page and line  
number where the errors occur in the application file are listed on the enclosed  
certificate.

Priority under 35 U.S.C. 120 of Ser. No. 91,164 was claimed in the parent  
application Ser. No. 204,505, but, through error and inadvertence, was not expressly  
claimed in the continuation application Ser. No. 726,178. The attached paper 2a from  
the file wrapper of Ser. No. 204,505 shows that continuity with Ser. No. 91,164 was  
claimed in Ser. No. 204,505. It is noted that the error is of a clerical nature, and does  
not involve such changes in the patent as would constitute new matter or would  
require re-examination.
